Faculty Spotlight: Dr. Li

January 30, 2017

This installment of Faculty Spotlight features Li Li, Ph.D., professor in the School of Health and Kinesiology in the College of Health and Human Sciences. Primarily a research professor, Li works with both students and faculty to construct experiments and collect data for their research. Li is also a specialist in the human gait, and has created research projects with the University and with private industries to study the way people walk and balance.
